

## Alison Hartmann, M.Phil.

### Executive Consultant

**Alison Hartmann** is an executive consultant with APTMetrics. She is an experienced, strategic human resources leader with expertise driving global, Fortune® 500 firms through organizational change. She works toward enterprise-wide effectiveness by designing and implementing talent management programs and processes that accelerate talent development, employee engagement and retention.

An influential, trusted advisor to executive leadership, Alison is known for enabling stakeholders to identify and build talent through strategic workforce planning, succession management, and organizational design. Her areas of expertise include talent management, succession and workforce planning, employee engagement and retention, and leadership development and coaching.

Alison earned her master's degree in management, economics and international relations from the University of St. Andrews, Scotland. She has presented research at industry conferences, including SIOP's annual conference and the SIOP Leading Edge Consortium. She is a contributor to "The Age of Agility," a SIOP Professional Practice Series book.
